Notice of Proposed Changes in Policies

You are not required to respond to this notice. It is for informational purposes only.

The Management of the Kansas City, Kansas Housing Authority is proposing the Board of Commissioners rescind resolution 2121 where the agency established the Permissive Deduction for the Earned Income Allowance for public housing residents. The KCKHA Management is recommending rescinding resolution 2121 and discontinuing the use of the Permissive Deduction Earned Income Allowance. This change is necessary due to the reduction of appropriated federal subsidies and efforts to improve agency fiscal management.

After residents are notified of the changes and the public comment period is over the KCKHA Board of Commissioners will vote on the resolution to consider these changes on December 15, 2011. If the proposal passes successfully the policy change will be implemented starting, January 1, 2012.

Summary of Proposed Changes

REMOVAL of Chapter 6 section B: *Income and Allowances part "Permissive Deductions" from the KCKHA Admissions and Continued Occupancy Policy (Page 6-4):*

"Permissive Deductions"

Earned Income Allowances. Where it states that for purposes of computing adjusted income, deductions from gross wages for withholdings such as Federal and State Income taxes, FICA, retirement, and medical insurance will be allowed. The Earned Income Disallowance is effective for rent calculations prior to September 30, 1996, unless subsequent legislation is enacted allowing allowance beyond that date."
