Drawings and Specifications for the above noted project and work covered thereby are herein modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect. This addendum is part of the bidding documents for the above named project and modifies the original bidding documents. Acknowledgement of the receipt of this addendum is required as part of the bid.

A. Items Discussed:

1. Contact Tony Shomin at Housing Authority for access to site.
2. JCS Engineers emphasized the tightness of the space we are working in. The equipment has been selected because it fits the space. Other vendors are allowed, just keep the space requirements in mind.
3. Johnson Controls needs to be contacted for coordination of controls.
