Section 8 Monthly Cut-Off Date

The monthly cut-off date for all changes is the 15th of each month, regardless whether or not the 15th falls on a weekend.

You must report changes in your family income and family household within 10 days of that change.

Regarding inspections, if your unit **PASSES** inspection **ON** or **BEFORE** the 15th of the month, we will prorate your rent for the days after it passed inspection.

For example, the unit passes inspection on the 5th, Section 8 will start paying on your unit beginning the next day (the 6th) and for the rest of the days in that month.

If your unit passes inspection AFTER the 15th of the month, we will not pay anything on that unit until the 1st of the following month. If you move into the unit after the 15th of the month, the rent owed for that month is between you and your landlord. Section 8 will not pay anything. Any inspection that passes after the 15th of each month goes to the first of the following month.
