**Kansas City, Kansas Housing Authority  
Opens Section 8 Housing Choice Voucher Waiting List**

[www.kckha.org](http://www.kckha.org)

The Kansas City Kansas Housing Authority plans to accept applications for its Section 8 Housing Choice Voucher Program starting on Sunday December 9, 2018 at 12:01 a.m., and ending December 15, 2018 at 11:59 p.m. Central Standard Time. During the Application Period, you may only access the on-line application through our Web site at [www.kckha.org](http://www.kckha.org) and enter an application during the Application Period. The day and time you submit your application during the Application Period will have NO effect on whether your application is selected. Applications will not be available in paper form nor accepted at any KCKHA location (no walk-ins). Only a single application from any one household will be accepted, so submitting multiple applications will not increase your chances of receiving housing assistance.

We anticipate we will receive far more applications for housing than we will be able to accommodate. So in order to be fair and consistent, we plan to process applications we receive using a lottery. The lottery means that, after all the applications are received, we will use a computer to randomly select up to 1,500 of the applications to be placed on our housing waiting list.

Applicants selected in the lottery are NOT guaranteed housing. Being selected by the lottery only means that the selected applications will be placed on the waiting list. Once on the waiting list, you may receive an offer of housing, but only if you are eligible for subsidized housing under Federal law and only if housing becomes available through this agency in the near future.

A Pre-Application Receipt containing a confirmation number will be available at the time of submission, which is unique to each applicant. KCKHA will conduct a random computer draw up to 1,500 applicants from all valid applications received and place the selected names on the waiting list. Winning lottery Application Confirmation Numbers will be posted on our Web site at [www.kckha.org](http://www.kckha.org) and will be sent written notification of the preliminary eligibility determination by January 15, 2019.
