

## Introduction

Welcome to the Kansas City Kansas Housing Authority (KCKHA) Section 8 Housing Choice Voucher (HCV) Program! The goal of the KCKHA HCV program is to empower low- to moderate-income families to rent safe, decent housing in the private market by paying a portion of the family's rent. The U.S. Department of Housing and Urban Development (HUD) determines the rules and regulations for the program. Housing Authorities use HUD funding to pay part of the rent for eligible families.
