### **New Business Discussion Item**

Resolution No. 2020-02, approving the Family Self-Sufficiency Program Action Plan, was introduced.

Mr. Scott noted that Ms. Mays would be in charge of the Family Self-Sufficiency (FSS) Program. He advised that the Housing Authority was successful in receiving a grant for the self-sufficiency program which would be used for Section 8 program participants only. The amount received is for the employment of a FSS Coordinator that Ms. Mays will supervise. This is a five-year program for Housing Choice Voucher participants to be involved in ongoing training. During the course of the program an amount would be deposited in escrow for the participants. At the end of five years, the money would be available to them. The money would be drawn out of LOCCS. Mr. Scott noted we are ready to hire a FSS Coordinator. Commissioner Warner asked for clarification on page 33 regarding being free of welfare assistance. Ms. Mays explained that participants could receive SNAP, Medicaid and child care assistance, and still qualify for the FSS program. However, they are encouraged to work, which drives the program. Money goes into an interest bearing escrow account monthly. Mr. Scott noted that Ms. Mays has worked with this program in Johnson County and Kansas City, Missouri. Commissioner McDonald referred the Board to page 32, under Support Services, where she was hoping to see something about substance abuse treatment. She explained that substance abuse could be a factor for some in the program. Ms. Mays noted that the case manager would work directly with the families and provide referrals. Mr. Scott suggested that Ms. Mays add that language to the program to include substance abuse treatment. Commissioner McDonald indicated she could be a resource for Al-Anon.

Commissioner Warner made a motion to approve Resolution No. 2020-02 to include substance abuse treatment referrals. Commissioner Crawford seconded the motion and the following vote was recorded:

AYES: Banks, Barber, Crawford, Jolley, Rhodes, McDonald, Tomasic, Watkins,

### SELF-SUFFICIENCY COORDINATOR

On January 7, 2020 the Public Housing Resident Council (PHRC) met at Westgate Towers. The purpose of this meeting was to encourage the PHRC officers to work more consistently with the residents. The resident councils were given their 2020 resident participation funds to budget. The councils were encouraged to manage their finances better. Budgets were due to me by January 31, 2020.

On January 10, 2020 I met with Dr. Alicia Hooks and her staff at the Kansas City, Kansas Community College (KCKHA) workforce department. The purpose of the meeting was to map out ways the workforce department can provide services to our public housing residents and housing choice voucher participants. One suggestion was to provide service to our clients once the EnVision Center is set up. Space will be available to bring staff from the KCKCC workforce department to work with our clients.

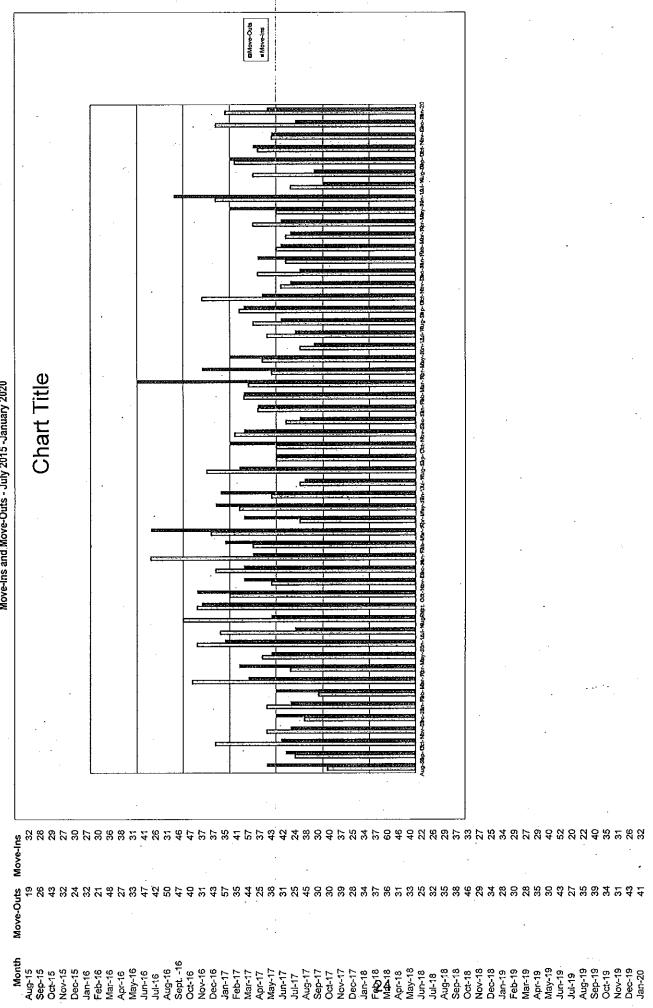

On January 10, 2020 I met with Fred Brisco from the United States Department of Housing and Urban Development Region IIV. Mr. Brisco is the point of contact for the EnVison Center. The purpose of the meeting was to discuss the EnVision Center Summit that took place on December 4, 2019. The EnVision Center is still in its infant stages until more direction is provided from HUD.

On January 29, 2020 I participated in a workshop with the Family Conservancy. The purpose of the workshop was to find ways to encourage fathers to be more active with their children and become employed. Sabrina Boyd was the facilitator.

A flyer for the Family Self-Sufficiency (FSS) program has been created and will be distributed to the participants in the housing choice voucher program. We are gearing up for recruitment into the FSS program this month.
