

Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this ACOP. The policies are discussed in seven parts as described below:

Part I: Setting Utility Allowances. This part describes how utility allowances are established and revised. Also discussed are the requirements to establish surcharges for excess consumption of PHA-furnished utilities.

Part II: Establishing Flat Rents and Public Housing Maximum Rents. This part describes the requirements and policies related to establishing and updating flat rent amounts and public housing maximum rents.

Part III: Repayment of Family Debts. This part contains policies for recovery of monies that have been underpaid by families, and describes the circumstances under which the PHA will offer repayment agreements to families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part IV: Public Housing Assessment System (PHAS). This part describes the PHAS indicators, how PHAs are scored under PHAS, and how those scores affect a PHA.

Part V: Record Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part VI: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes the PHA's reporting responsibilities related to children with environmental intervention blood lead levels that are living in public housing.

Part VII: Violence against Women Act (VAWA): Notification, Documentation, and Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, and stalking; and maintaining the confidentiality of information obtained from victims.

PART I: SETTING UTILITY ALLOWANCES [24 CFR 965 Subpart E]

16-I.A. OVERVIEW

PHAs must establish allowances for PHA-furnished utilities for all check metered utilities and for resident-purchased utilities for all utilities purchased directly by residents from a utility supplier [24 CFR 965.502(a)].

PHAs must also establish surcharges for excess consumption of PHA-furnished utilities [24 CFR 965.506].

Chapter 16: Program Administration

The PHA must maintain a record that documents the basis on which utility allowances and scheduled surcharges are established and revised, and the record must be made available for inspection by residents [24 CFR 965.502(b)].

16-I.B UTILITY ALLOWANCES

The PHA must establish separate allowances for each utility and for each category of dwelling units the PHA determines to be reasonably comparable as to factors affecting utility usage [24 CFR 965.503].

The objective of a PHA in establishing utility allowances for each dwelling unit category and unit size is to approximate a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment [24 CFR 965.505].

Utilities include gas, electricity, and fuel for heating, water, sewerage, and solid waste disposal for a dwelling unit. In addition, if the PHA does not furnish a range and refrigerator, the family must be granted a utility allowance for the range and refrigerator they provide [24 CFR 965.505].

Costs for telephone, cable/satellite TV, and internet services are not considered utilities [PH Occ GB, p. 138].

Utility allowance amounts will vary by the rates in effect, size and type of unit, climatic location and sitting of the unit, type of construction, energy efficiency of the dwelling unit, and other factors related to the physical condition of the unit. Utility allowance amounts will also vary by residential demographic characteristics affecting home energy usage [PH Occ GB, p. 138].

Chapter 14 of the *PH Occupancy Guidebook* provides detailed guidance to the PHA about establishing utility allowances.

Air-Conditioning

“If a PHA installs air conditioning, it shall provide, to the maximum extent economically feasible, systems that give residents the option of choosing to use air conditioning in their units. The design of systems that offer each resident the option to choose air conditioning shall include retail meters or check meters, and residents shall pay for the energy used in its operation. For systems that offer residents the option to choose air conditioning but cannot be check metered, residents are to be surcharged in accordance with 965.506. If an air conditioning system does not provide for resident option, residents are not to be charged, and these systems should be avoided whenever possible.” [24 CFR 965.505(e)]

PHA Policy

The PHA has installed air-conditioning.

Utility Allowance Revisions [24 CFR 965.507]

The PHA must review at least annually the basis on which utility allowances have been established and must revise the allowances if necessary in order to adhere to the standards for establishing utility allowances that are contained in 24 CFR 965.505.

The PHA may revise its allowances for resident-purchased utilities between annual reviews if there is a rate change, and is required to do so if such change, by itself or together with prior rate

Chapter 16: Program Administration

changes not adjusted for, results in a change of 10 percent or more from the rate on which the allowance was based.

Adjustments to resident payments as a result of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account became effective.

PHA Policy

Between annual reviews of utility allowances, the PHA will only revise its utility allowances due to a rate change, when required to by the regulation.

16-I.C. SURCHARGES FOR PHA-FURNISHED UTILITIES [24 CFR 965.506]

For dwelling units subject to allowances for PHA-furnished utilities where check meters have been installed, the PHA must establish surcharges for utility consumption in excess of the allowances. Surcharges may be computed on a straight per unit of purchase basis or for stated blocks of excess consumption, and must be based on the PHA's average utility rate. The basis for calculating the surcharges must be described in the PHA's schedule of allowances. Changes in the amount of surcharges based directly on changes in the PHA's average utility rate are not subject to the advance notice requirements discussed under 16-I.D.

For dwelling units served by PHA-furnished utilities where check meters have not been installed, the PHA must establish schedules of surcharges indicating additional dollar amounts residents will be required to pay by reason of estimated utility consumption attributable to resident-owned major appliances or to optional functions of PHA-furnished equipment. The surcharge schedule must state the resident-owned equipment (or functions of PHA-furnished equipment) for which surcharges will be made and the amounts of such charges. Surcharges must be based on the cost to the PHA of the utility consumption estimated to be attributable to reasonable usage of such equipment.

PHA Policy

The PHA does have PHA-furnished utilities.

16-I.D. NOTICE REQUIREMENTS [965.502]

The PHA must give notice to all residents of proposed allowances and scheduled surcharges, and revisions thereof. The notice must be given in the manner provided in the lease and must:

- Be provided at least 60 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.
- Describe the basis for determination of the allowances, scheduled surcharges, or revisions, including a statement of the specific items of equipment and function whose utility consumption requirements were included in determining the amounts of the allowances and schedule of surcharges.
- Notify residents of the place where the PHA's documentation on which allowances and surcharges are based is available for inspection.

Chapter 16: Program Administration

- Provide all residents an opportunity to submit written comments during a period expiring not less than 30 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.

16-I.E. REASONABLE ACCOMMODATION [24 CFR 965.508]

On request from a family that includes a disabled or elderly person, the PHA must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family [PH Occ GB, p. 172].

Likewise, residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

PART II: ESTABLISHING FLAT RENTS AND PUBLIC HOUSING MAXIMUM RENTS

16-II.A. OVERVIEW

Flat rents are designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.

Public housing maximum rents are needed to prorate assistance for a mixed family. A mixed family is one whose members include those with citizenship or eligible immigration status, and those without citizenship or eligible immigrations status [24 CFR 5.504].

This part discusses how the PHA establishes and updates flat rents and public housing maximum rents. Policies related to the use of flat rents, family choice of rent, flat rent hardships, and public housing maximum rents are discussed in Chapter 6.

16-II.B. FLAT RENTS [24 CFR 960.253(b) and Notice PIH 2014-12]

Establishing Flat Rents

Flat rents for public housing units are based on the market rent charged for comparable units in the private unassisted rental market. The flat rent should be equal to the estimated rent for which the PHA could promptly lease the public housing unit after preparation for occupancy.

The PHA must use HUD's rent reasonableness methodology to determine flat rents. In determining flat rents, PHAs must consider the following:

- Location
- Quality
- Unit size
- Unit type
- Age of property

Chapter 16: Program Administration

- Amenities at the property and in immediate neighborhood
- Housing services provided
- Maintenance provided by the PHA
- Utilities provided by the PHA

Notice PIH 2014-12 specifies that after the PHA has determined flat rent amounts using HUD's rent reasonableness methodology, the PHA must then compare this amount to 80 percent of the FMR and must set the flat rent at no less than 80 percent of the FMR, subject to utility adjustments.

PHAs are now required to apply a utility allowance to flat rents. Flat rents set at 80 percent of the FMR must be reduced by the amount of the unit's utility allowance, if any.

Review of Flat Rents

The PHA must ensure that flat rents continue to mirror market rent values [24 CFR 960.253(b) and Notice PIH 2014-12]. No later than 90 days after HUD publishes new annual FMRs, PHAs must revise flat rents as necessary based on the rent reasonableness analysis and changes to the FMR. The PHA must offer changes to the flat rent to all new admissions and to existing families at the next annual rent option.

If the FMR falls from year to year, the PHA may, but is not required to, lower the flat rent to 80 percent of the current FMR.

PHA Policy

If the FMR is lower than the previous year, the PHA will reduce flat rents to 80 percent of the current FMR

PHAs that determine that reasonable rents would be less than 60 percent of the applicable FMR may choose to complete a rent reasonableness study once every three years, rather than annually. [Notice PIH 2014-12].

PHA Policy

If the PHA determines that reasonable rents would be less than 60 percent of the applicable FMR, the PHA will conduct a rent reasonableness study once every three years.

Posting of Flat Rents

PHA Policy

The PHA will publicly post the schedule of flat rents in a conspicuous manner in the applicable PHA or project office.

Documentation of Flat Rents [24 CFR 960.253(b)(5)]

The PHA must maintain records that document the method used to determine flat rents, and that show how flat rents were determined by the PHA in accordance with this method.

Chapter 16: Program Administration

16-II.C. PUBLIC HOUSING MAXIMUM RENTS

Establishing Public Housing Maximum Rents

PHAs are prohibited from making financial assistance available to persons who are not citizens or nationals of the United States, and to those who do not have eligible immigration status [24 CFR 5.500]. Therefore, in order to assist mixed families, PHAs must prorate assistance. Public housing maximum rents are needed in order to calculate the tenant rent for a mixed family.

The public housing maximum rent is based on value of the 95th percentile of the total tenant payment (TTP) for each tenant within the PHA. PHAs may calculate a maximum rent on either a PHA- or project wide basis. A separate maximum rent can be provided for each separate project or projects may be combined into logical groups, if appropriate. HUD recommends that a single project basis be avoided for a project unless at least 50 dwelling units are involved.

PHAs may use the “direct comparison” or the “unit distribution” method for establishing the public housing maximum rents for each unit size. Appendix H, of Guidebook 7465.G, Restrictions on Assistance to Noncitizens provides detailed guidance on how to establish public housing maximum rents using the methodologies identified above.

Review of Public Housing Maximum Rents

PHA Policy

The PHA will recalculate the public housing maximum rents on an annual basis.

Posting of Public Housing Maximum Rents

PHA Policy

The PHA will publicly post the schedule of public housing maximum rents in a conspicuous manner in the applicable PHA or project office.

Documentation of Public Housing Maximum Rents

PHA Policy

The PHA will maintain records that document how the PHA determined the 95th percentile of TTP, whether the maximum rent was determined PHA-wide, project-wide, or with groupings of projects, and the methodology used to determine maximum rents for each unit size.

PART III: FAMILY DEBTS TO THE PHA

16-III.A. OVERVIEW

This part describes the PHA’s policies for recovery of monies owed to the PHA by families.

PHA Policy

When an action or inaction of a resident family results in the underpayment of rent or other amounts, the PHA holds the family liable to return any underpayments to the PHA.

The PHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

Chapter 16: Program Administration

When a family refuses to repay monies owed to the PHA, the PHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
- State income tax set-off program

16-III.B. REPAYMENT POLICY

Family Debts to the PHA

PHA Policy

Any amount owed to the PHA by a public housing family must be repaid. If the family is unable to repay the debt within 30 days, the PHA may offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will terminate the family's tenancy in accordance with the policies in Chapter 13. The PHA will also pursue other modes of collection.

General Repayment Agreement Guidelines

Down Payment Requirement

PHA Policy

Before executing a repayment agreement with a family, the PHA will generally require a down payment of 20 percent of the total amount owed. If the family can provide evidence satisfactory to the PHA that a down payment of 20 percent would impose an undue hardship, the PHA may, in its sole discretion, require a lesser percentage or waive the requirement.

Payment Thresholds

Notice PIH 2010-19 recommends that the total amount that a family must pay each month—the family's monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family's monthly adjusted income, which is considered "affordable." Moreover, Notice PIH 2010-19 acknowledges that PHAs have the discretion to establish "thresholds and policies" for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

PHA Policy

The repayment agreement will span the amount of months of un/non-reported income up to and not exceeding 12 months. The household must have a good rental payment history and have a good residency standing.

If a family can provide evidence satisfactory to the PHA that the threshold applicable to the family's debt would impose an undue hardship, the PHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the PHA will consider all relevant information, including the following:

Chapter 16: Program Administration

- The amount owed by the family to the PHA
- The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family's control
- The family's current and potential income and expenses
- The family's current tenant rent, as calculated under 24 CFR 960.253 (c)
- The family's history of meeting its financial responsibilities

Execution of the Agreement

PHA Policy

Any repayment agreement between the PHA and a family must be signed and dated by the PHA and by the head of household and spouse/co-head (if applicable).

Due Dates

PHA Policy

All payments are due by the close of business on the 1st day of the month. If the 1st does not fall on a business day, the due date is the close of business on the first business day after the 1st.

Late or Missed Payments

PHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by the PHA, the PHA will send the family a delinquency notice giving the family 14 days to make payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the PHA will terminate tenancy in accordance with the policies in Chapter 13.

If a family receives three delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and the PHA will terminate tenancy in accordance with the policies in Chapter 13.

No Offer of Repayment Agreement

PHA Policy

The PHA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family, or if the amount owed by the family exceeds the federal or state threshold for criminal prosecution.

Repayment Agreement Involving Maintenance Charges

PHA Policy

Families who have been assessed maintenance charges can, if eligible, request entering into a repayment agreement for such assessed charges in order to avoid late fee assessments and potential adverse actions. Repayment agreements cannot exceed the timeframes indicated below for the respective maintenance charges.

Chapter 16: Program Administration

Under \$50	No Repayment Available
\$51 - \$150	No more than 3 months
\$151 - \$4,999	No more than 6 months

The maximum amount for which the PHA will enter into a repayment agreement is \$4,999.

Repayment Agreements Involving Improper Payments

Notice PIH 2010-19 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the public housing lease that state the family's obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the PHA the monthly tenant rent
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of tenancy

PART IV: PUBLIC HOUSING ASSESSMENT SYSTEM (PHAS)

16-IV.A. OVERVIEW

The purpose of the Public Housing Assessment System (PHAS) is to improve the delivery of services in public housing and enhance trust in the public housing system among PHAs, public housing residents, HUD and the general public by providing a management tool for effectively and fairly measuring the performance of a public housing agency in essential housing operations.

16-IV.B. PHAS INDICATORS [24 CFR 902 Subparts A, B, C, D, and E]

The table below lists each of the PHAS indicators, the points possible under each indicator, and a brief description of each indicator. A PHA's performance is based on a combination of all four indicators.

Indicator 1: Physical condition of the PHA's projects

Maximum Score: 40

- The objective of this indicator is to determine the level to which a PHA is maintaining its public housing in accordance with the standard of decent, safe, sanitary, and in good repair.
- To determine the physical condition of a PHA's projects, inspections are performed of the following five major areas of each public housing project: site, building exterior, building systems, dwelling units, and common areas. The inspections are performed by

Chapter 16: Program Administration

an independent inspector arranged by HUD, and include a statistically valid sample of the units in each project in the PHA's public housing portfolio.

Indicator 2: Financial condition of the PHA's projects

Maximum Score: 25

- The objective of this indicator is to measure the financial condition of the PHA's public housing projects for the purpose of evaluating whether the PHA has sufficient financial resources and is capable of managing those financial resources effectively to support the provision of housing that is decent, safe, sanitary, and in good repair.
- A PHA's financial condition is determined by measuring each public housing project's performance in each of the following sub indicators: quick ratio, month's expendable net assets ratio, and debt service coverage ratio.

Indicator 3: Management operations of the PHA's projects

Maximum Score: 25

- The objective of this indicator is to measure certain key management operations and responsibilities of a PHA's projects for the purpose of assessing the PHA's management operations capabilities.
- Each project's management operations are assessed based on the following sub-indicators: occupancy, tenant accounts receivable, and accounts payable.
- An on-site management review may be conducted as a diagnostic and feedback tool for problem performance areas, and for compliance. Management reviews are not scored.

Indicator 4: Capital Fund

Maximum Score: 10

- The objective of this indicator is to measure how long it takes the PHA to obligate capital funds and to occupy units.
- The PHA's score for this indicator is measured at the PHA level and is based on the following sub indicators: timeliness of fund obligation and occupancy rate.

16-IV.C. PHAS SCORING [24 CFR 902 Subpart F]

HUD's Real Estate Assessment Center (REAC) issues overall PHAS scores, which are based on the scores of the four PHAS indicators, and the sub indicators under each indicator. The PHA's indicator scores are based on a weighted average of the PHA's public housing projects' scores. PHAS scores translate into a designation for each PHA as high performing, standard, substandard, or troubled.

A high performer is a PHA that achieves an overall PHAS score of 90 or greater, and achieves a score of at least 60 percent of the points available under the physical, financial, and management indicators and at least 50 percent of the points available under the capital fund indicator.

A standard performer is a PHA that has an overall PHAS score between 60 and 89, and achieves a score of at least 60 percent of the points available under the physical, financial, and

Chapter 16: Program Administration

management indicators and at least 50 percent of the points available under the capital fund indicator.

A substandard performer is a PHA that has an overall PHAS score of at least 60 percent and achieves a score of less than 60 percent under one or more of the physical, financial, or management indicators.

A troubled performer is a PHA that achieves an overall PHAS score of less than 60, or achieves less than 50 percent of the total points available under the capital fund indicator.

These designations can affect a PHA in several ways:

- High-performing PHAs are eligible for incentives including relief from specific HUD requirements and bonus points in funding competitions [24 CFR 902.71].
- PHAs that are standard performers may be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA's performance [24 CFR 902.73(a)(1)].
- PHAs that are substandard performers will be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA's performance [24 CFR 902.73(a)(2)].
- PHAs with an overall rating of "troubled" are subject to additional HUD oversight, and are required to enter into a memorandum of agreement (MOA) with HUD to improve PHA performance [24 CFR 902.75].
- PHAs that fail to execute or meet MOA requirements may be referred to the Assistant Secretary to determine remedial actions, including, but not limited to, remedies available for substantial default [24 CFR 902.75(g) and 24 CFR Part 907].

PHAs must post a notice of its final PHAS score and status in appropriate conspicuous and accessible locations in its offices within two weeks of receipt of its final score and designation [24 CFR 902.64(b)(2)].

PART V: RECORD KEEPING

16-V.A. OVERVIEW

The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

16-V.B. RECORD RETENTION

The PHA must keep the last three years of the Form HUD-50058 and supporting documentation during the term of each assisted lease, and for a period of at least three years from the end of participation (EOP) date [24 CFR 908.101].

Chapter 16: Program Administration

Notice PIH 2014-20 requires the PHA to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

PHA Policy

During the term of each public housing tenancy, and for at least four years thereafter, the PHA will keep all documents related to a family's eligibility, tenancy, and termination.

In addition, the PHA will keep the following records for at least four years:

- An application from each ineligible family and notice that the applicant is not eligible

- Lead-based paint records as required by 24 CFR 35, Subpart B

- Documentation supporting the establishment of flat rents and the public housing maximum rent

- Documentation supporting the establishment of utility allowances and surcharges

- Documentation related to PHAS

- Accounts and other records supporting PHA budget and financial statements for the program

- Complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule

- Other records as determined by the PHA or as required by HUD

If a hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 14-II.A.

16-V.C. RECORDS MANAGEMENT

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

PHA Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized PHA staff.

PHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

Privacy Act Requirements [24 CFR 5.212 and Form-9886]

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal

Chapter 16: Program Administration

Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

Upfront Income Verification (UIV) Records

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD-issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification (UIV) Data*.

PHA Policy

Prior to utilizing HUD's EIV system, the PHA will adopt and implement EIV security procedures required by HUD.

Criminal Records

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person's disability. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

Domestic Violence, Dating Violence, Sexual Assault, or Stalking Records

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, or stalking, see section 16-VII.E.

Chapter 16: Program Administration

PART VI: REPORTING REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL

16-VI.A. REPORTING REQUIREMENTS [24 CFR 35.1130(e)]

The PHA has certain responsibilities relative to children with environmental intervention blood lead levels that are living in public housing.

The PHA must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 business days of being so notified by any other medical health care professional. The PHA must also report each known case of a child with an environmental intervention blood lead level to the HUD field office.

PHA Policy

The PHA will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level.

The PHA will provide written notice of each known case of a child with an environmental intervention blood level to the HUD field office within 5 business days of receiving the information.

PART VII: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, AND CONFIDENTIALITY

16-VII.A. OVERVIEW

The Violence against Women Act of 2013 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault, and stalking who are applying for or receiving assistance under the public housing program. If your state or local laws provide greater protection for such victims, those laws take precedence over VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located in Chapter 3, “Eligibility” (sections 3-I.C and 3-III.F); Chapter 5, “Occupancy Standards and Unit Offers” (section 5-II.D); Chapter 8, “Leasing and Inspections” (section 8-I.B); Chapter 12, “Transfer Policy” (sections 12-III.C, 12-III.F, and 12-IV.D); and Chapter 13, “Lease Terminations” (sections 13-III.F and 13-IV.D).

16-VII.B. DEFINITIONS [24 CFR 5.2003]

As used in VAWA:

- The term *affiliated individual* means, with respect to a person:
 - A spouse, parent, brother or sister, or child of that individual, or an individual to whom that individual stands in the position or place of a parent; or
 - Any individual, tenant or lawful occupant living in the household of that individual.
- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.

Chapter 16: Program Administration

- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship
- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- The term *sexual assault* means:
 - Any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks the capacity to consent
- The term *stalking* means:
 - To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or

Notification to Applicants and Tenants [24 CFR 5.2005(a)(1)]

PHAs are required to inform public housing applicants and tenants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

PHA Policy

The PHA will provide all applicants with information about VAWA at the time they request an application for housing assistance. The PHA will also include such information in all notices of denial of assistance (see section 3-III.F).

The PHA will provide all tenants with information about VAWA at the time of admission (see section 8-I.B) and at annual reexamination. The PHA will also include such information in all lease termination notices (see section 13-IV.D).

The VAWA information provided to applicants and tenants will consist of the notice in Exhibit 16-1 and a copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a tenant following an incident of domestic violence, Notice PIH 2006-42 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

PHA Policy

Whenever the PHA has reason to suspect that providing information about VAWA to a public housing tenant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim.

16-VII.D. DOCUMENTATION [24 CFR 5.2007]

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, or stalking, or criminal activity related to any

Chapter 16: Program Administration

of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA’s request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-50066, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim
- (2) A federal, state, tribal, territorial, or local police report or court record
- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. Acceptable documentation also includes a record of an administrative agency, and documentation from a mental health professional. The person signing the documentation must attest under penalty of perjury to the person’s belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under “Conflicting Documentation,” nor may it require certification in addition to third-party documentation [VAWA final rule].

PHA Policy

Any request for documentation of domestic violence, dating violence, sexual assault, or stalking will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The PHA may, in its discretion, extend the deadline for 10 business days. Any extension granted by the PHA will be in writing.

Conflicting Documentation [24 CFR 5.2007(e)]

In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The PHA must honor any court orders issued to protect the victim or to address the distribution of property.

PHA Policy

If presented with conflicting certification documents (two or more forms HUD-50066) from members of the same household, the PHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance

Chapter 16: Program Administration

with 24 CFR 5.2007(b)(2) or (3) and by following any HUD guidance on how such determinations should be made.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]

The PHA has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b).

PHA Policy

If the PHA accepts an individual's statement or other corroborating evidence of domestic violence, dating violence, sexual assault, or stalking, the PHA will document acceptance of the statement or evidence in the individual's file.

Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

16-VI.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to the PHA regarding domestic violence, dating violence, sexual assault, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

PHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.
