Family Self-Sufficiency Program (FSS)

At one time or another we all need a helping hand.

Kansas City Kansas
Housing Authority

How Does FSS Work?

Participants meet with FSS Specialist to discuss needs, set goals and come up with an action plan to achieve the goals.

Participants work with FSS Specialist and supportive service referrals to take necessary steps to reach goals.

Participants earn money in an escrow account each month when rent goes up due to an increase in earned income.

Participants commit to work hard to reach FSS and personal goals to successfully complete the program.

A goal without a plan is just a wish!

- It's free to participate
- It's a 5-year voluntary program
- Any Kansas City Kansas HCV participant can join
- Participation does not impact your housing choice voucher
- Become better at managing your finances
